

## Visión general

### Información del Producto

**DDL-PG21M-21030000053**

PG21 Metal Cable Gland

### Ventajas del producto

- ☑ Fix cables to prevent internal wiring from being affected by pulling, swinging and other factors;
- ☑ Waterproof and dustproof, support IP68 high protection level.

### Certificación del producto

## Datos técnicos

### Dibujo del producto

### Modelo 3D

□

### Marking

|                  |             |
|------------------|-------------|
| classification   | Accessories |
| Accessories type | cable joint |

### Material characteristics

|                            |                             |
|----------------------------|-----------------------------|
| RoHS                       | Comply with RoHS exemptions |
| Material (sealing element) | NBR                         |
| Material (cable connector) | Copper alloy                |
| Material (holding ring)    | NBR                         |
| Surface technics           | Nickel plating              |

### Technical specification

|                       |              |
|-----------------------|--------------|
| Limiting temperatures | -40°C~+100°C |
|-----------------------|--------------|

|                       |         |
|-----------------------|---------|
| IP class              | IP68    |
| Wrench specifications | 30      |
| Thread specification  | PG21    |
| Clamping range        | 13-18mm |
